## FAB

**Configuration:**  
**14X22" Bass Drum**  
**16X16" Floor Tom**  
**9x13" Tom Tom**

2017 marks the 45<sup>th</sup> Anniversary of Ludwig Vistalite - the series that changed the drumming world visually and sonically in 1972. In celebration of this special anniversary, Ludwig is offering a limited run of 45<sup>th</sup> Anniversary Vistalite drum sets.

### **L94434LX75**

Comprised of a 14x24" bass drum, 9x13" tom tom (with Vibraband and holder), 16x16" Floor Tom, and 16x18" Floor Tom in Green Sparkle finish. The Green Sparkle kit offers a unique shell composition where sparkle flakes are imbedded within the shell itself, unlike typical Green Sparkle wrapped or lacquer finishes. This presents an unparalleled visual effect that has never been seen before in the Vistalite series.

# USA MADE SNARES

## LB408 - 8X14" Black Beauty Snare Drum

Ludwig's legendary Black Beauty snare drum has undergone an amazing transformation. Bigger, bolder, and more brash than ever, the new 8x14" size delivers even more body and rich classic tone that will speak to all musical styles and a new generation of players. For players that want "a little something extra" when it comes to their snare drum sound, this beauty is outfitted with Ludwig's classic imperial lugs and triple-flange hoops for an open, articulate sound.

## LC608R - 8X14" Copperphonic Snare Drum

Ludwig's unique Copperphonic snare took the drumming world by storm in 2015. 2016 saw the release of several variations such as tube lug models, hammered shell models, etc. New for 2017, Copperphonic has grown in size and reaches into yet another new sonic realm. The new 8x14" Copperphonic delivers more volume, punch and aggressive tone than ever. This new sound characteristic delivers yet another sonic advancement in Ludwig's rich snare drum library of sounds.

# STANDARD MAPLE SNARES

Ludwig's new Standard Maple snare series offers an admirable combination of rich pure sound and durability, but at an affordable price. Made in the Ludwig factory in Monroe NC, this series can't be beat when it comes to price and uncompromised value. Standard Maple snares use seven plies of maple plus an attractive outer wrap or veneer combined with bowtie lugs and triple flange hoops for a great look and sound.
